A father-son combination that raced the short distance and middle long distance with success till 2001.

In 1999 they went to Paul and Stefaan Van Overbeke (Now the combination Van Overbeke-Claus) to buy 20 youngsters out of their best breeders.

From 2002 onwards they have been entering the races on the long and very long distance. Frank Martens is a retired postman and Marino is working as an operational Controller in a meatcompany.

His grand-mother, Maria, at the age of 87, is still cleaning the pigeonlofts.

The training of the racing pigeons is the task of Frank (66). The health and medical care lies in the hands of Marino.
