Every day, Mr. Roger's companies need 2.000.000 Kgs of patatees to produce all kind of delicious patatee products, such as french fries, croquettes, etc etc., which are exported now to 83 countries, even to China.

The last investment was to open his own "Bed & Breakfast", in the place where Roger was born.

When we visited this small "hotel", we were so impressed by the quiet nature-environment, as well as a very clean place to stay. We really recommend this

place to chinese fanciers who are visiting our country, to stay overnight, in a very quiet place, but close enough to the big city of Kortrijk.

The name and adress of Mr. Roger's bed and breakfast is :

"HET BINTJESHOF"

Mr. Roger Mylle's pigeons.

His successful loft is based on only the Best of the Best of following lofts :

Etienne Devos : the purest blood of the worldfamous "Kleine Didi".

Silvere Toye : the purest blood of the worldfamous breeders called "Libelle" , « Paris", "Caraat" (Georges Carteus).

Simon Moreels : the blood of his 1st National Ace Pigeon Long Distance KBDB

Noel Lippens : the blood of the worldfamous "Vital" 1st National Ace Pigeon KBDB Long Distance.

Patrick Houfflijn : the purest Gaby Vandenabeeleblood.

Etienne Meirlaen : maybe the best Barcelona-flyer in Belgium.

Julien Vaneeno : one of the best long and extreme long distance lofts ever existed in Belgium.

The wife of Roger, called Jeannine is a real pigeon fancier.

Jeannine loves her pigeons. Jeanine was the owner of one of the most important restaurants in Kortrijk area (and still she is the owner).

When she met Roger, she decided to put her energy in Roger's pigeons, and of course in her husband in first position, Roger is a lucky man...

Jeannine is talking to the pigeons and it looks like they are talking to her... she has build up such a close contact with her birds ... and who knows : maybe the pigeons are motivated to win a race, because of this special contact between Jeannine and the pigeons.

4 of their champions-pigeons.

In this article, i would like to present you 4 real champions birds, which are still in the racing loft of Roger & Jeannine MYLLE.

"Libello" B09-3136673 "The Miracle Flyer"!!

There is no doubt, that this is one of the best pigeons in Belgium today; look at his unique record list, at such a young age !

16° National Tulle 8.323 pigeons

22° National Argenton 19.816 pigeons

85° National Limoges 14.211 pigeons

In 2010 he was 1st Provincial Ace Pigeon Yearlings - Great Middle Distance, in the West of Flanders Province.

He is a combination of SILVERE TOYE x ETIENNE DEVOS.

His father has the purest blood of the "Libelle" and the "Paris" in his veins, 2 worldfamous breeders from the lofts of Silvere Toye.

"Libelle" B97-3097409 won 1st National Bourges (419 km) / 3.397 hens and 10th National Bourges / 14.883 pigeons.

After her racing career she became one of the best breeding hens of Belgian pigeon sport.

She is a daughter of the famous breeding pair **"Majoor" x "Dorothee"**

("Dorothee" 100% Vandenabeele-hen – daughter of "Playboy" x "Francoise").

The "Majoor" B93-3050009 is a son of the worldfamous "Wittenbuik" of Gaby Vandenabeele.

Some references : a son of "Majoor" paired up to his own daughter "Libelle" gave the "Inbred Majoor" B99-3120602; this last one became the father of the "Souillac II" winner of 11th National Souillac in 2006.

In the pedigree of the famous topflyer "Libello" B09-3136673 of Mr. Roger Mylle, we also find back the "Paris" of Silvere Toye.

And guess what we have found ... this "Paris" is again a son of the same breeding pair **"Majoor" x "Dorothee" !**

The "Paris" was a very good racing pigeon :

1st Provincial Limoges / 2.222 pigeons

2nd Provincial Souillac - 28th National / 7.154 pigeons

3rd Provincial Souillac – 64th National / 8.035 pigeons

The « Paris » is the a golden breeder : he is the father of « I Love It », winner of the 6th Place at the One Million Dollar Race in South-Africa.

Same "Paris" is the father of the "Souillac IV" winner of :

22° National Souillac / 6.611 pigeons

30° National Limoges / 9.545 pigeons

7° Provincial Poitiers / 2.347 pigeons

The mother of the « Miracle Flyer » "LIBELLO" at the lofts of Mr. Roger Mylle has the purest blood of "Kleine Didi" in his veins.

She is a daughter of a full brother "Kleine Didi" x a daughter out of a sister of same "Kleine Didi".

We all know that "Kleine Didi" B92-3000607 has been one of the most famous pigeons our pigeon sport has ever known.

He is the winner of 1st National Dax and 2nd National Perpignan in the same year 1997.

That year he was 1st National Ace Pigeon Long Distance KBDB.

In 1996 he won 46th National Pau and 23rd National Perpignan.

In 1995 he won 24th National Pau and 72nd National Perpignan.

After his career he became a worldfamous breeder, bringing so many top winners :

These are some of the references of "Kleine Didi" as a golden breeder :

- * 1st National Montauban 2008 at the lofts of Decroix Serge & Noël (mother's side we find back a full sister "Kleine Didi").
 - * 1st International Pau 2008 at the lofts of Kurt Pfeifer (Gremany) is a gr.grandson of "Kleine Didi"
 - * 1st Provincial – 16th National Barcelona 2008 at the lofts of Andre Brouckaert; at mother's side we find back a full sister of "Kleine Didi".
 - * 1st National Barcelona 2007 at the lofts of Haerinck-Poelmans; his mother was a sister of "Kleine Didi"
 - * 1st National Gueret 2007 at the lofts of Marc Van Haute gr.granddaughter of "Kleine Didi"
 - * 1st National Limoges at the lofts of Degraeve-Van Geert; his mother is a full sister of "Kleine Didi".

 - * "Rivaldo" 1st European Ace Pigeon at the lofts of Etienne Devos himself, is a grandson of "Kleine Didi".

So the "Libello" of Mr. Roger Mylle has a golden pedigree, the combination of 2 golden breeding lines.
