

NACHTERGAELE DIRK

Zingem – East of Flanders Province.

A Top Champion in silence !

The same blood as the Best pigeons of
Norbert & Filip Norman and **Gaby Vandenabeele**

PIERRE AMEYE - PIGEONS

At the lofts of Dirk Nachtergaele, we find back the purest blood of Grandmaster Pierre Ameye, the Top Champion in the West of Flanders Province, who can present us a couple of real top references.

2 of the most important references of the Pierre Ameye-pigeons are :

"Zorro" – Norbert & Filip Norman.

"De Kleinen" – Gaby Vandenabeele.

So Pierre Ameye has been the founder of 2 of the most important breeders of our National pigeon sport.

At the left side on this picture we can see Pierre Ameye.

For sure this "Kleinen" 253/81 has been one of the most important breeders our international pigeon sport has ever known. He is the father of the wordfamous "Picanol", 1° Provincial Ace Pigeon West of Flanders as a yearling pigeon.

"Kleinen" 253/81 is also the father of "Fideel" 2° National Limoges / 6.991 pigeons.

"Kleinen" 253/81 is father of "**Wittenbuik**" **B88-3206112**

As we all know, "Wittenbuik" is one of the most famous breeders ever; so many children and grandchildren won 1° Prizes at the lofts of Grandmaster Vandabeele himself and other lofts all over the world. But everything started with the "Kleinen" 253/81 ... and his mother was the "Ameyke", B77-3064419, a hen which Gaby Vandabeele got from Mr. Gilbert Van Parijs (loftmanager of Norbert & Filip Norman), but original from the lofts of Pierre Ameye.

Then another top-reference is the "Zorro" , golden basic breeder number 1 at the championsloft of Norbert and Filip Norman.

Lets' present a couple of pedigrees of some of their best pigeons, in which we find back the "Ameye-duivin" B93-3221604 ... a direct Pierre Ameye-pigeon again.

Back to our champion Dirk Nachtergaele.

Of course i know Dirk Nachtergaele for more than 30 years, we are almost same age and we live in the same village called Zingem.

Together with his father late Martin Nachtergaele, he is one of the best lofts ever existed in our area, in our Province and our country.

I am so sure that nobody in China knows about this loft ... and i also know the reason for that. Because Dirk Nachtergaele never promoted his pigeons. He is a real pigeon fancier, who likes to be in his pigeon loft, taking care of his pigeons, going to the pigeon club ... and you will never hear his voice ! ... but the next day you find him back in the top of the results. Since so many years he has been focusing on the Pierre Ameye-pigeons.

Even **Freddy & Jacques Vandenheede** are so successful with his pigeons, without mentioning the name of Dirk Nachtergaele in their pedigrees.

And, in all silence, Dirk Nachtergaele was classified 4 times in the National Championships, always in the young birds – category :

5° National Champion KBDB

5° National Champion KBDB

6° National Champion KBDB

8° National Champion KBDB

On Provincial level (in teh category Young Birds Long distance (400 – 550 km), he was :

1° Provincial Champion KBDB

2° Provincial Champion KBDB

4° Provincial Champion KBDB

5° Provincial Champion KBDB

In pigeon sport there's only one point which proves the quality of pigeons : RESULTS.

And again the prove of the extremely high quality of the Pierre Ameye-pigeons, at the lofts of Dirk Nachtergaele !
