Congratulations to Mr. Georges Peirs, his son Filip and his loft manager ROGER.

This loft of Mr. Georges en Filip Peirs is full of topclass pigeons, in the racing loft, as well as the breeding loft.

Mr. Georges Peirs, who used to be the Mayor of this village called ZULTE, during 36 years, has always been looking for the best quality of breeders.

He found what he was looking for :

The best blood at the lofts of

Gommaire Verbruggen

Roger Florizoone.

At this loft we also find back the best breeding material of Grandmaster Gaby Vandenabeele, who is a personal friend of Mr. Mayor Georges Peirs.
