

# Paul & Jelle **ROZIERS**

Berlaar ( Belgium )

## **BLOIS INTERPROVINCIAL East of Flanders Province. Winners of 1st – 2nd – 4th – 33rd - ... / 2.755 pigeons.**

On the longest distance of all participants, the "Superman" Jelle Roziers and his father Paul, achieved a unique result, by winning 1<sup>st</sup>, 2<sup>nd</sup>, 4<sup>th</sup>, 33<sup>rd</sup> and +/- 55<sup>th</sup> ... ;we have to keep in mind that this race is not just a small short distance race of 100 pigeons.

No no, it is a race on which all the professional lofts from East of Flanders Province compete against eachother for the first time in this season.

The new rule says that the provinces around the East of Flanders Province can participate as well.

Jelle and Paul Roziers live in the "next door" Antwerp Province. They assume that they were a little bit advantaged because of the North-West wind : that's fair.

But our answer is this : to win 1<sup>st</sup> and 2<sup>nd</sup> and 4<sup>th</sup> ... you need more than just a little bit advantage.

You need good pigeons and top condition.

That's what they had on that day !

#### **Houben :**

For several years, father and son Paul & Jelle Roziers have been breeding in cooperation with the Houben Family. From the first time they started this breed-crossing, at both sides appeared real top results immediately.

One of the examples is the great Victory of the Houben Family at the big One Loft Race in Peking in 2008; the winning pigeon was a grandchild of the "Queen L" as well.

#### **The Interprovincial winner :**

The pigeon which won the 1<sup>st</sup> Interprovincial Blois against 2.755 pigeons, on the 14<sup>th</sup> May, has the ringnumber B10-6024030, a small but perfect chequered hen.

**The father** of the winning hen is B07-6390957, original Houben J.L.N., grandson of the worldfamous "Jonge Artiest" B82-6380170.

**The mother** of the winning hen is B07-6060530, is a direct daughter of the "Den Argenton" B03-6226043, winner of 1<sup>st</sup> National Argenton at the lofts of Jules & Jos Engels ( = Flor Engels & Sons ); this "Argenton" paired up to the miracle breeding hen "Queen L".

#### **The 2<sup>nd</sup> pigeon : daughter of a golden breeding pair !**

The hen which won the 2<sup>nd</sup> Prize Interprovincial is the B10-6024081.

She is a daughter of the "**Sunny Delight**" **B04-6277715**, a topclass breeder, which is father of several topwinners such as "Sunlight Dancer", "266/09", "Brother Jessica", "Heavens Fantasy", "Blaze of Glory", ...

The mother of the "081" is the "**Little Queen**" **B09-6222557**, daughter of "Queen L", which was paired up to "Rivaldo" 668/99, grandson of "Jonge Artiest" 170/82 original Houben !!

So again Paul & Jelle give us the clear proove of the very successful crossing of the Roziers-pigeons x Houben-pigeons.

Moreover, out of this pair "**Sunny Delight**" **B04-6277715** x "**Little Queen**" **B09-6222557**, Paul & Jelle bred several topclass - pigeons allready :

#### **B10-6024009 :**

8<sup>th</sup> Provincial Gueret / 1.871 p.

42<sup>nd</sup> National Gueret / 13.885 p.

**B10-6024010 :**

16<sup>th</sup> Provincial La Souterraine / 2.499 p.  
38<sup>th</sup> National La Souterraine / 17.017 p.  
29<sup>th</sup> Provincial Argenton / 3.008 p.  
180<sup>th</sup> National Argenton / 22.442 p.

**B10-6024047 :**

15<sup>th</sup> Interprovincial Bourges / 2.260 p.

**Tough weather :**

Important to mention is that most of the top results of Paul & Jelle Roziers were won in tough weather circumstances.

Jelle Roziers is a professional pigeons fancier; pigeon racing is his life.

Day and night, he thinks about his pigeons : how to breed, to train, to race, to feed : as pigeon food he uses the MATADOR-food, which a professional and expensive food : it has been developed by food and sport specialists. Many top champions use it.

As health and conditions products, he uses the products of the Herbots Family : the golden condition powder called Optimix, in combination with the professional oil-mix of the German company called Backs; from Belgica de Weerd ( Dr. Henk de Weerd ) he uses the product B.S., in combination with Belgasol for recuperation after the race.

Father and son Roziers also visit a good vet : her name is Dr. Ann Havet.

Hope you enjoyed to read this report.
