"Gueretje" B06-3016297

Winner in 2006 of :

- 1^o National Gueret / 10.523 pigeons**

Roger and his son Jürgen VERVAEKE are small fanciers with topclass-pigeons.

Next to their victory on Chateauroux this year, they won 1st National Gueret young birds in 2006.

In the pedigree of this Provincial and Zonal Chateauroux-winner, B10-3067062, we find back something special.

The father is B06-3016298, which is the nestbrother to the **"Gueretje" B06-3016297 winner of 1st National Gueret in 2006.**

The mother is a full sister to the 1st Provincial Ace Pigeon Middle Distance KBDB in the West of Flanders Province.

Also important to mention is that the lofts of Roger & Jürgen Vervaeke only counts a small number of pigeons.

During the last 20 years, father and son VERVAEKE have been selecting their pigeons so hard, that today they only keep winners and golden breeders in their lofts.

If we give you the following topreference, dear chinese sportfriends, you will be convinced :

In the same village called DEERLIJK lives Grandmaster ETIENNE DEVOS. Mr. Devos came to buy pigeons at the lofst of Roger & Jürgen Vervaeke, without telling anyone. He was convinced about the topquality of the Vervaeke-pigeons. And he was right !

Today, Mr. Etienne Devos is very happy and successful with a full brother to the 1st National Gueret-winner of Roger & Jürgen Vervaeke. And in the golden breeding loft of Etienne Devos, 2 full brothers and 1 full sister to the 1st National Gueret-winner are breeding 1st Prize-winners.

And guess what, dear Friends in China, Mr. Vervaeke only has a small number of selected brothers and sisters of his 1st National Gueret in his breeding loft. He only kept the best quality ... for his own breeding loft. But ! We convinced him, after 1 hour discussing to offer 1 full brother and 1 full sister for sale to our chinese friends, the first time and exclusively for our chinese pigeon friends, on www.xgtt.cn

A Golden chance not to miss.

Goodluck.
